RIGGLEMAN HALL

Riggleman Hall is the main campus building. It houses lecture halls and classrooms, laboratories, and faculty and administration offices, as well as the Wehrle B. Geary Auditorium, O.J. Morrison Chapel, Andrew S. Thomas Memorial Library, A.W. Cox Reception Hall, greenhouse and a first aid room.

To many this building holds futures. We choose our paths, and maintain our averages. We enter with questions and exit with the answers.

GEARY STUDENT UNION

The Geary Student Union provides students with recreation, meeting rooms, and other facilities. It is connected to Rigglesman Hall by a modern breezeway. The Coffee Tavern is located on the first floor and is the informal social center for the students. Miscellaneous meeting rooms and game rooms for ping pong and billiards are located off the Coffee Tavern. Also in the building are the Information Center and a large public lounge.

The Art Gallery, the college store, and the cafeteria are all situated in the GSU. Private dining rooms are adjacent to the cafeteria, which overlooks the Kanawha River.

The GSU also houses the ballroom, the College Relations Office, the Alumni Office, the poster room, the Comet Office, the Harveyan Office, the Student Government Office, a music listening lounge and Student Affairs Offices.

Dorms

Women reside in Dickinson Hall which houses approximately 350 coeds on the main campus.

Men students reside in three separate residence halls on the main campus, known as the Michael L. Benedum, Vernon A. Cobb, and A.W. Cox halls, housing a total of 413 students.

The housing directors for 1975-76 were Mrs. Ruth Montgomery, Dickinson Hall; Mrs. Clarice Meeker, Cox Hall; and Mr. & Mrs. Andrew Muldoon, Benedum Hall.

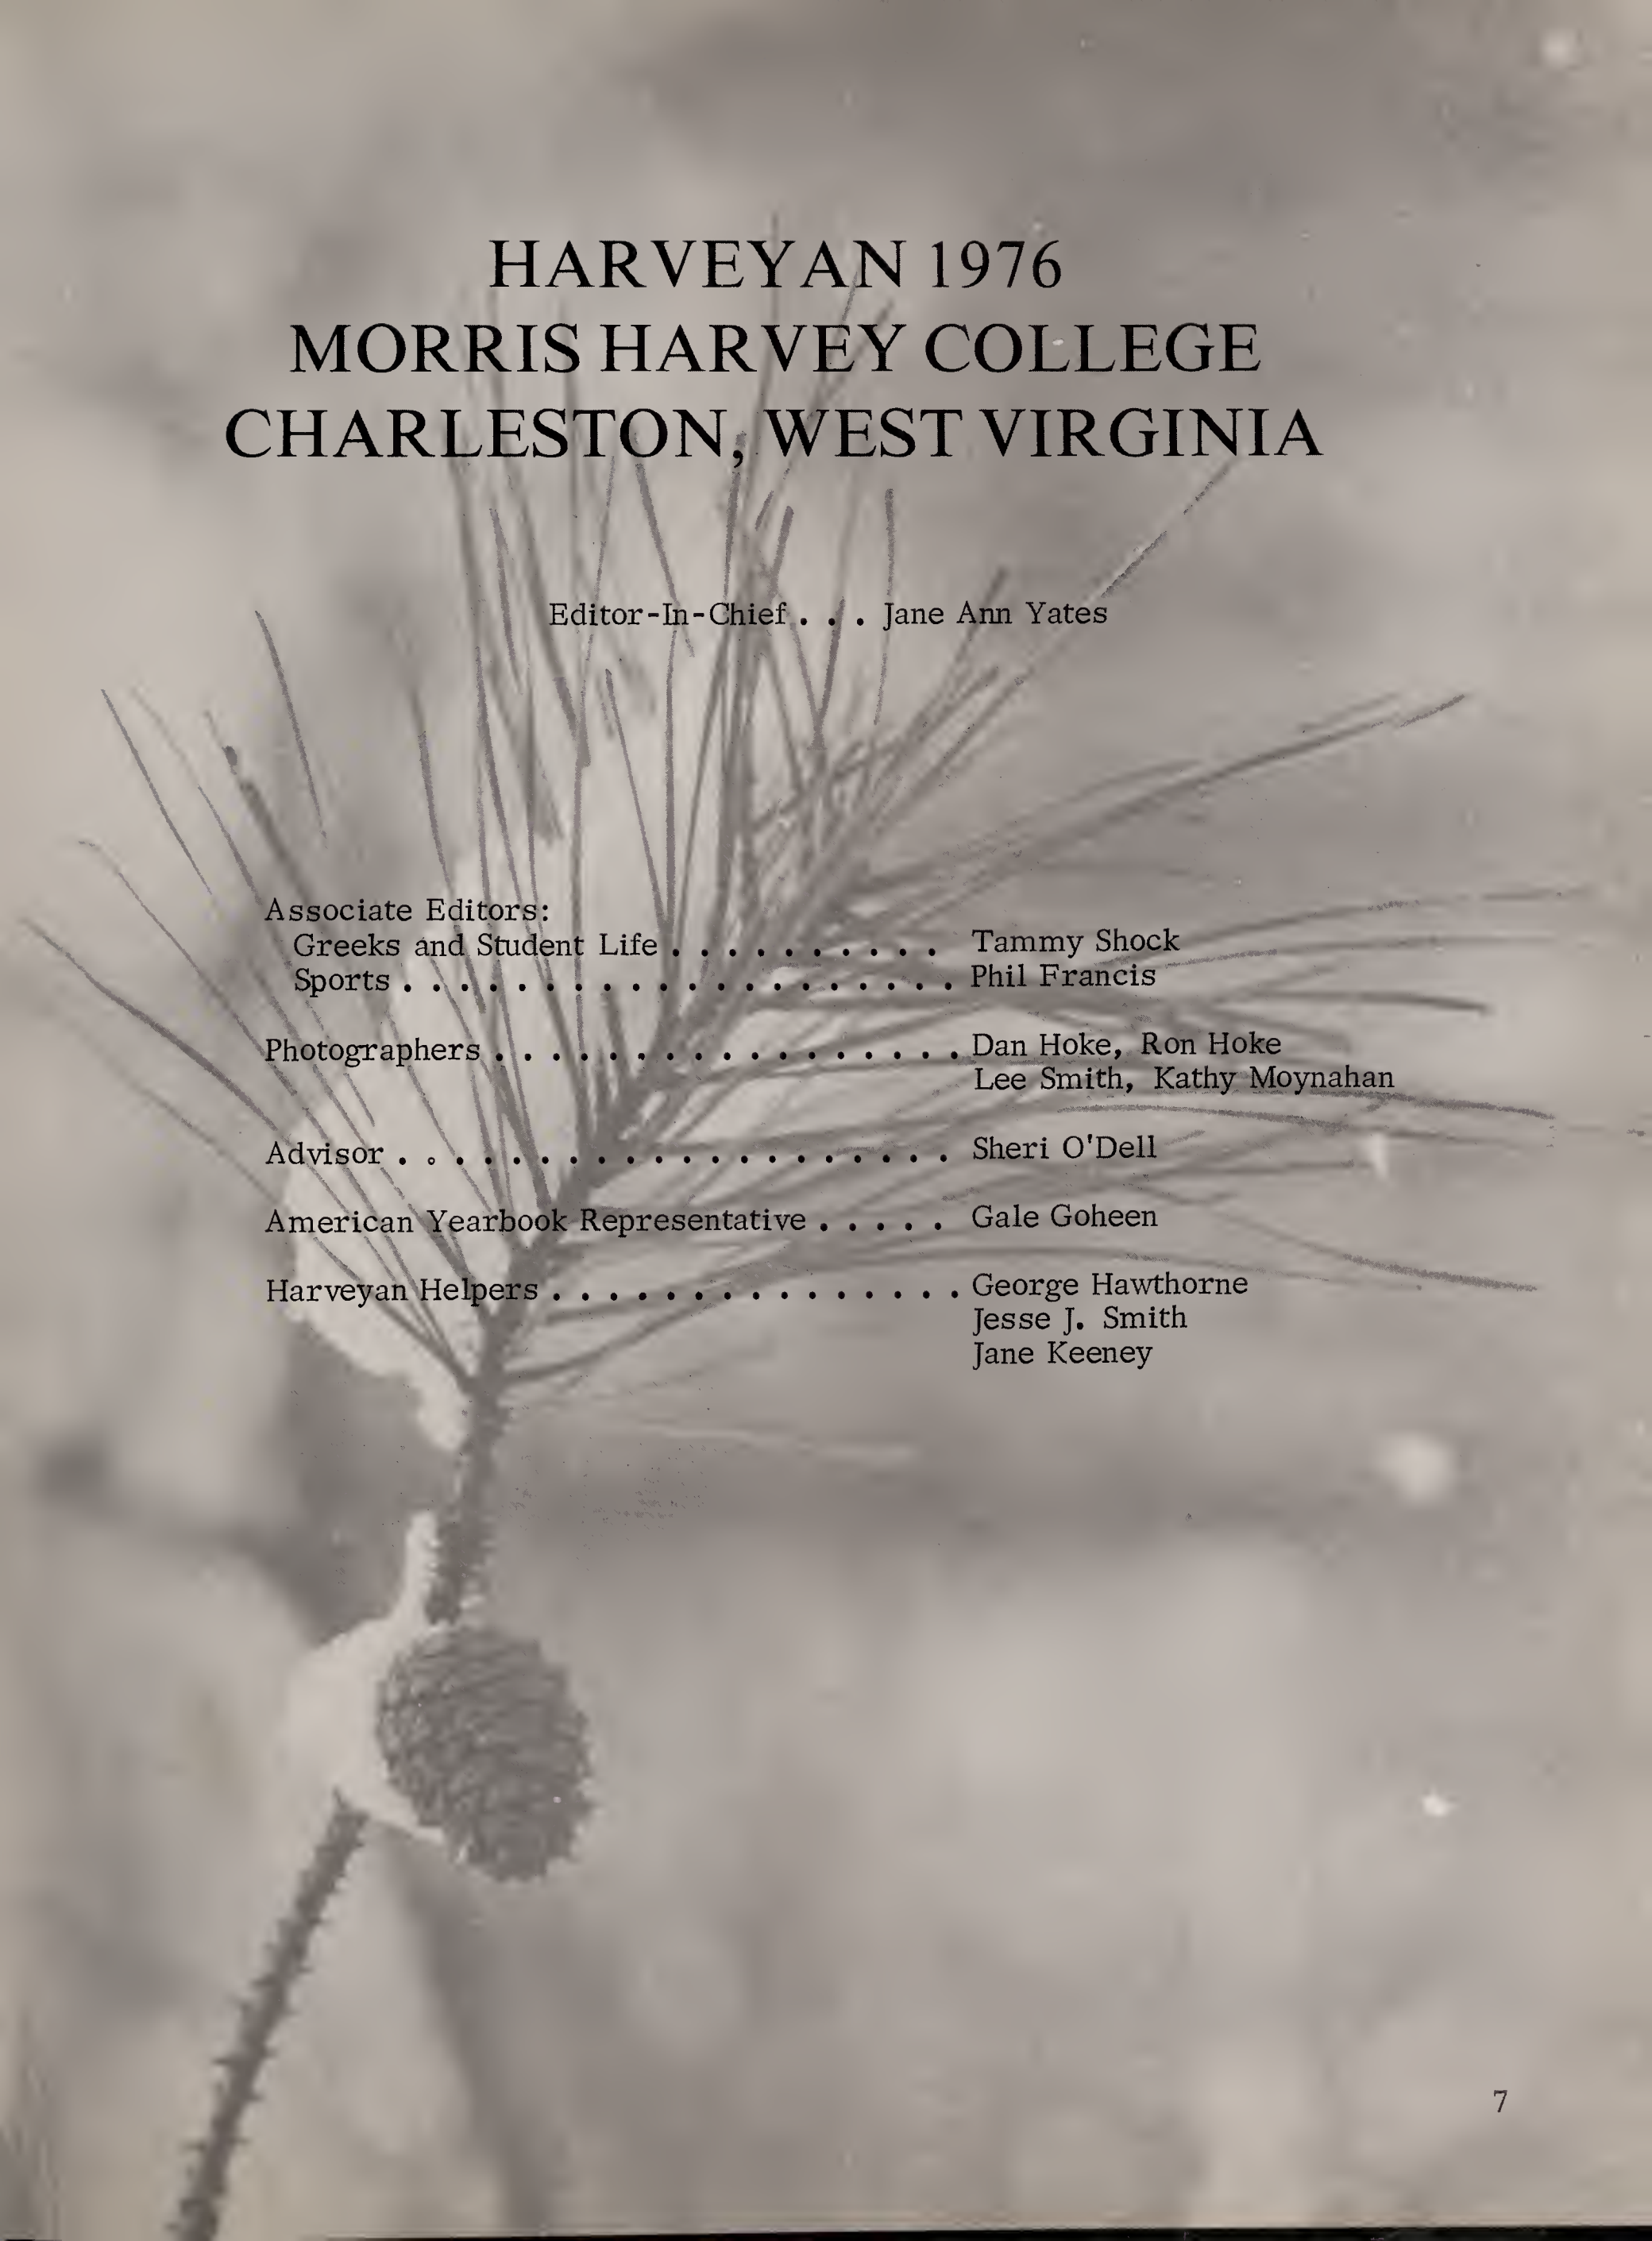

Gorman Physical Education Building And King Gymnasium

The Carl Edward King Memorial Gymnasium has a basketball court which is often used for dances and other social functions on campus.

The Gorman Physical Education Building adjoins the King Gymnasium. It houses physical facilities, classrooms, and offices for the Department of Health and Physical Education. The building includes handball courts, an olympic-size pool, auxiliary basketball cross courts, areas for archery, dancing, gymnastics, and wrestling.

SWIMMING

Not too much can be said about an 0-10 dual meet record. A lot can be said about Ken Shier, Mike Wrubel, Kal Foust, Bob Nichols and Corky Habarek, the five Morris Harvey swimmers who placed 3rd in the West Virginia Conference, behind West Virginia Wesleyan and Champion Fairmont State.

Coach Greg Olson's philosophy on dual meets is to use them as guide lines to the all-important conference meet.

"Sure a good dual meet record looks good, but our goal was to place high in the conference meet," said Olson. Olson also commented that the five men worked hard and he was really pleased with their performances.

With good results from heavy recruiting, along with Foust, Nichols and Habarek, improvement looks inevitable.

MHC fans enjoy themselves without the leadership of "Wild Man".

Billy Joe Hicks

I (Phil Francis) can honestly say this has been the most enjoyable year out of my four. I could relate stories and incidents that only Roger Chambers and Steve Hall could remember. Only three of us remain from our freshman class. This is the year we shall remember together. It all started with practice the first week of January. The walls started moving in, balls began bouncing off HEADS and the anxiety to go down south caused everyone to be a little edgy. It was all let out and we came back with the best southern trip the school has had. Roomies Hall, Beckett and bunky Pugliese shall never forget the unbelievable and unpredictable things that happened--maids stealing money from our hotel rooms in Savannah, to the magnificent "Flag-Poil" in Valdosta, and then on to the dog food at Shorter. The season started out good with some wins in the conference. We split with some rink teams, but played the way we could against the best teams. It started on our southern trip, by beating Valdosta, Armstrong and Shorter. We beat West Virginia University at Morgantown. Number 1 ranked (NAIA) Marietta came to Charleston and left with 2 losses. Virginia Tech beat us in 10 innings, 3-2. Morehead State (24-9 at the time) beat us twice in extra innings. Of 32 games, 13 were decided by one run. The games will be remembered, but most of all the laughs and smiles that we brought to each other.

"The Flag-Poil" at the beach.

If he makes me chase another ball, I'll pull doughnuts on his infield with a bulldozer.

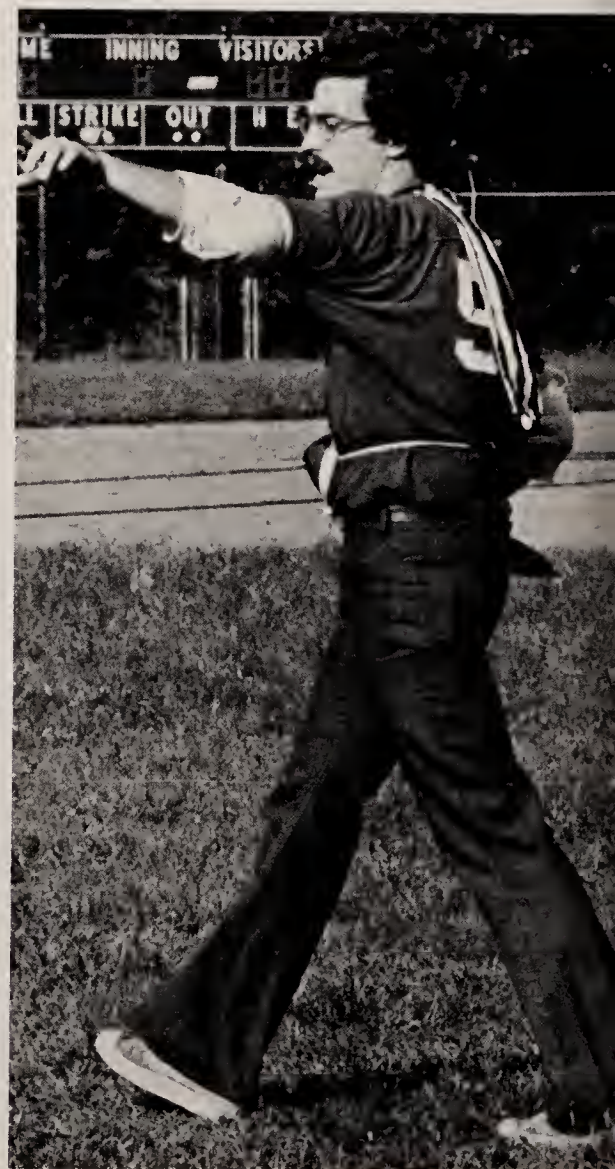

Intramurals have come of age at Morris Harvey. The program has greatly improved since my freshman year, four years ago. Competition could have been counted on one hand in 1972, but the present program consists of anything from a Turkey Trot to a Mountain Climb. Intramurals mean a great deal to the student body, from just a social gathering to fierce competition--fun and laughter along with personal pride. There is fraternity and sorority competitiveness along with the independent tradition. Constant problems and arguing is of the past. It wasn't all perfect, a new program has its knots that have to be untied. I, and I'm sure the students that participated in intramurals, appreciate Jim Buckalew's efforts.

ALPHA OMICRON PI

The ideals of Alpha Omicron Pi are to encourage a spirit of love among its members; to stand at all times for character, dignity, scholarship, strong college spirit; and to strive for and support the best interests of the college and sorority.

Some of the sorority's activities include the winter and spring formals, bake and bagels sales, participating in Panhellenic Association, and just getting together for some good times.

Alpha Omicron Pi helps all the sisters make it through the year and gives them something to look forward to when the new school year starts. Each woman shares a part of herself and grows in many ways which helps to fulfill her life.

GAMMA DELTA PHI

Gamma Delta Phi was founded on the campus of Morris Harvey College on October 11, 1967, by a group of women with the attitude that individuals can join together and establish the true meaning of sisterhood. The sorority is proud to be the only local sorority on campus.

As a local sorority, Gamma Delta Phi has proven itself to be a vital force on campus through education, athletic, and social contributions. But above all, the sorority distinguishes itself by stressing individual thought and by uniting through the common bond of sisterhood.

front row, l. to r.: Connie Kawash, Nancy Pauley, Anna Coratello, Betsy Glines, Sharon Vaughn. back row, l. to r.: Julia Brawley, Jessica Bradford, Barbara Burnette, Cindy Perry, Paula Hundley.

ALPHA XI DELTA

Friendship, scholarship, and achievement characterize the sisters of Alpha Xi Delta Sorority. The sorority is known for its active participation in campus organizations, college athletics, and the community.

The sisters perform a variety of philanthropic acts on both a local and national level. A few of their traditional activities include a Founder's Day Tea, winter and spring formals, shoe shines and popcorn sales.

The sisters of Alpha Xi Delta believe sorority membership is a set of ideals, and they strive to make those ideals an integral part of their daily lives.

kneeling: Teresa Belcher. standing, l. to r.: Robin Day, Jan Hannabas. back row, l. to r.: Sharon Ferrell, Dianna Pring, Carol Patterson, Dianna Carrico, Cathy Childress, Teresa Robertson, Cindy Jarrell, Sherry Walker, Tammy Shock, April Legg.

DELTA ZETA PLEDGE CLASS

front row, l. to r.: Lisa Dandy, Nanci Snyder, Valerie Bailey, Teresa Siders. back row, l. to r.: Colleen Jackson, Yolanda Marino, Jane Yates, Ellen Strickler, Nancy Fish, Karen Merriman, advisor, Julia Brawley, Lynn Daugherty, Jan Underwood, Barbara Burnette.

PANHELLENIC ASSOCIATION

The Panhellenic Association's purposes are to maintain on a high plane sorority life and inter-sorority relations within the college; to further fine intellectual accomplishments and sound scholarship; to be a forum for the discussion of all the questions of interest in the college and sorority world; and to compile rules governing rushing, pledging, and initiations on the campus. It's an organization which binds the sororities on campus together, providing a means for them to contribute to the campus and the community as a unit.

front row, l. to r.: Bob Nichols, Kenny Kratt, Dave Martin, Jeff Robertson, Chuck Smith. middle row, l. to r.: Greg Mori, Steve Kawash, David Keightley, Tom Mitchell, Joe Wood, Randy McCollum, John Robertson, advisor. back row, l. to r.: A. Dewey Sanders, Mike Mallon, Tom Moriarty, Rick Smith, Dave Steele, Steve Stump, Paul Manley.

SIGMA PHI EPSILON

The Morris Harvey chapter of Sigma Phi Epsilon was founded in 1970, and is a social fraternity which fosters and promotes brotherhood.

The brothers are active in college sports, in student government, and in all other aspects of college life.

Sigma Phi Epsilon is "tomorrow's fraternity for today's man." Times have changed and so have they. They are looking to the future. Responsibility, integrity, community service, lasting friendship, and brotherhood--that's what it's all about.

front row, l. to r.: Paul Arcell, John Block, Jeff Weinberg, Kal Foust. middle row, l. to r.: Mark Beckett, Ken Shier, Glenn Self, Darrell Winefordner, Mike Peacock. back row, l. to r.: Mike Emley, Bruce Levine, Neil Anderson, Stan Wallace, advisor.

ALPHA SIGMA PHI

This school year has marked the re-emergence of Alpha Sigma Phi as a strong and vital organization of the Morris Harvey campus. The growth and unification of Alpha Sigma Phi has been an united effort of the brothers and alumni brothers who are proud to carry on the high standards and traditions of the fraternity. This year's social activities were capped by the Spring Weekend and Dance in April.

The Morris Harvey College Philharmonic Choir performs as a concert group, appearing at various college functions and public programs, junior and senior high school assemblies, service clubs and church groups in West Virginia and other states. The choir is best known for its annual performance of the "Messiah" at Christmas. The choir has an annual Spring Concert Tour. This year the choir toured throughout West Virginia and Ohio.

Commuter Rooters

The Commuter Rooter Club is a service club for the college and community. The main purpose of this club is to maintain good communications with the commuting students.

This year the Commuter Rooters sponsored Night at the Races, Las Vegas Night, Christmas Dance, Senior Dance, food drive for needy families during Christmas, and took orphans ice skating.

Physical Education Club

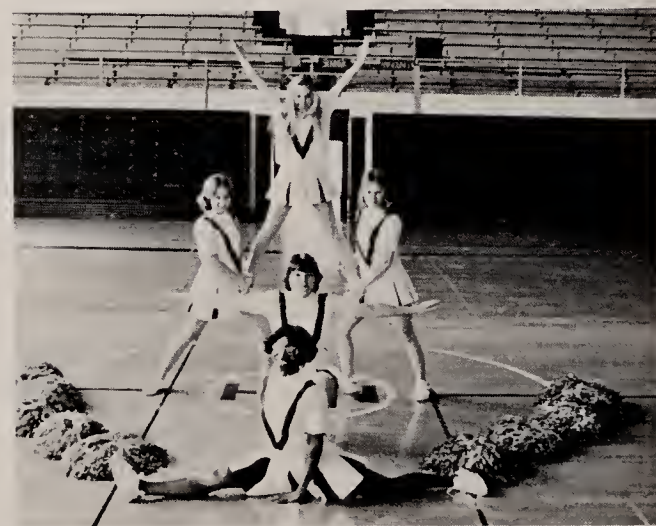

The Physical Education Club is open for membership to students who are majoring in physical education or using physical education as a second teaching field. It strives to stimulate a diversified and intelligent interest in health, physical education, and recreation at Morris Harvey College, and to advance the standards of teaching and leadership.

THE COMET

Morris Harvey's First Bi-Annual

Compoon

The College Relations Office is accepting applications for *Comet*, *Harveyan*, and photographers positions. All applicants must have a 2.0 or better cumulative average. Tuition grants are available for both full-time and part-time positions.

Comet positions include editor, assistant editor, news editor, sports editor, and business manager. *Harveyan* jobs include editor and two assistant editors.

Photographer applicants should have darkroom experience.

The office will also hire a student artist to make signs and illustrations for campus organizations.

All applications must be filed in Rm. 310, GSU, no later than Friday, Apr. 30.

Letters to the Editor

Letters to the Sports Editor

Harveyan 1976

Jane Ann Yates
Editor-In-Chief

before . . .

during . . .

The editor and staff members are proud to edit the 1976 edition of the Harveyan. As in years past, this year's staff worked hand in hand with the administration, faculty, and student body to produce this yearbook.

The 1976 Harveyan Staff would like to congratulate the 1976 graduating class of Morris Harvey College. We wish them the best of luck in the years to come.

after . . .

Phil Francis
Sports Editor

Tammy Shock
Greek and Student Life
Editor

This always seems to be the most difficult page to do. As editor I spend many hours planning layouts, doing paper work and trying to organize the book and my staff. It is a lot of hard work, but it is also a great deal of fun. There have been moments when I thought the book would never get done and quitting was the only way out, and I did that once, but there always seemed to be that moment of hope that pulled me through.

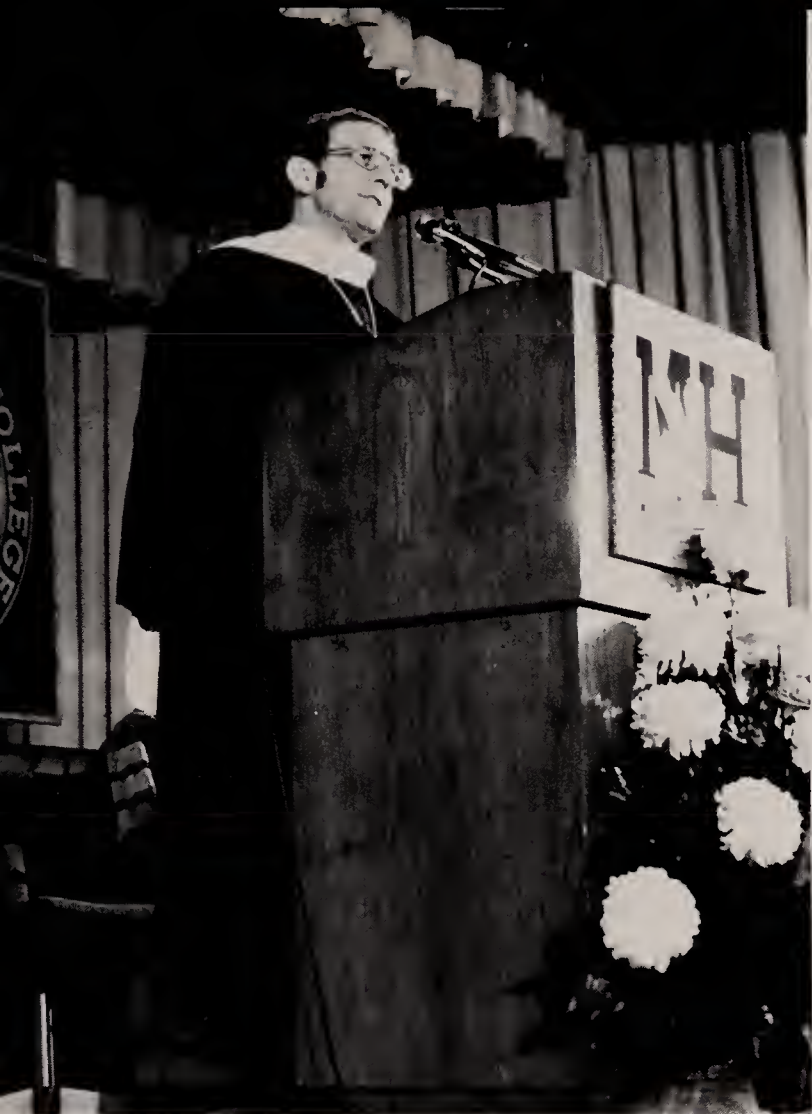

Please accept my sincere apologies for certain things not shown in the book. Due to some technical difficulties on our part, some things had to be omitted.

The 1976 Harveyan Staff would like to express its appreciation to the administration, faculty, and student body for making this yearbook possible.

I don't know where to begin to thank all the people who have helped me with this yearbook: to the administration and faculty, for their cooperation; to Sheri O'Dell, for her understanding and words of encouragement; to Lois Slone for putting up with me for three years; to Jack Pierce, for his understanding and encouragement when I needed a friend; to Tammy and Phil, for their hard work; to the photography staff for their assistance; to Faith, Yo, Rene, and Terri, for their patience and jokes when things were going wrong; and last, but not least, to my mother for the long distant phone calls, her words of understanding, and love. Thank you, I love you all.

I have had the opportunity of working on the yearbook for three years, and each year seemed to get better. I am really going to miss the college, working on the Harveyan, all the people who have made my four years of hard work beautiful memories. Take care and God Bless you all.

Jane Ann Yates
1976 Harveyan

PRESIDENT ROBERT BLISS

Morris Harvey College acquired a new president this year. His name is Robert LaVerne Bliss. President Bliss has been a pleasant addition to the administration and faculty of the college. He brought with him a pleasant smile and a hat full of new ideas. One of his goals was to personally meet all the students he could during the year. To say the least, he did just that. President Bliss loves MHC as much as we love him.

If you should ever see a man walking the halls of MHC wearing a big smile, glasses and a yellow suit, don't mistake him for a walking lemon-- it will be President Bliss.

President Bliss giving his Inauguration speech, April 24, 1976.
